

In 1968, Smith founded Tambourine and Fan to instill important culture, history, and tradition in New Orleans youth. He continues to teach classes modeled on those of the Freedom Schools during the 1964 Freedom Summer. "Children in the Center recite lyrics of 'Strange Fruit,' the names of the four young girls killed in the Birmingham, Alabama Church-fire of 1963, the Neville Brothers' 'Sister Rosa,' and chants of Mardi Gras Indians who will 'not bow down.'"

Jerome Smith has mentored multitudes of individuals across the city for decades and continues to do so. Smith is the definition of a true warrior, and his legacy continues to inspire people everywhere.

If it was not for the courage of this stellar man, I have to wonder if I would be allowed to stand before you today. For that, I am beyond humble to stand on his shoulders leading the constituents of Louisiana's 2nd Congressional District. The world could never thank him enough for all he has done in his lifetime. A huge thank you to Louisiana's adopted son as he continues his fight to stand for the rights of equal justice.

HONORING VERSAILLES,
KENTUCKY

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 28, 2022

Mr. BARR. Madam Speaker, I rise to honor the city of Versailles, Kentucky, on its 230th anniversary.

Located in Woodford County, Versailles was founded June 23rd, 1792. This was only 22 days after the Commonwealth of Kentucky was accepted into statehood. The city was located on 80 acres of land that was owned by Hezekiah Briscoe, who at that time was only a child. It was named for Versailles, France, in honor of General Lafayette and his contributions to the victory in the American Revolution.

Versailles is located in the beautiful Central Kentucky area. The area is renowned for its thoroughbred horse farms, bourbon distilleries, and small-town charm. Over its history, Versailles has been home to military leaders, artists, actors, athletes, and politicians. Tourists from all over the world visit this beautiful town, with the most famous visitors including Queen Elizabeth II and President George H.W. Bush. Versailles is currently led by Mayor Brian Traugott.

Thank you to the Woodford County Historical Society for preserving the history of this wonderful town and for organizing the 230th anniversary celebration. As the citizens of Versailles remember their history, I wish them all the best for a bright future.

ANTICIPATING U.S. VS. WALES IN
THE WORLD CUP

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 28, 2022

Mr. GRIFFITH. Madam Speaker, I rise today to offer congratulations ahead of this year's World Cup in November. For the first time in 8 years, the U.S. men's national soccer team has qualified for the most important tournament in world soccer. As the Chairman of the Congressional Friends of Wales Caucus, I would also like to congratulate Wales on reaching the World Cup for the first time since 1958.

The historic links between the United States and Wales are very strong. The Welsh were among the early settlers to North America to pursue religious liberty and the opportunity to create a better life for themselves and their descendants. At least five signers of the Declaration of Independence had a Welsh background, including its primary author, Thomas Jefferson. By now there are endless links between the United States and Wales, from economic to academic to cultural connections.

On November 21, 2022, a new link will be created. The countries will face each other in the first match of their World Cup campaigns—and it will be the first time the United States and Wales have faced each other in a World Cup. This day will be a special day for Americans, Welsh, and Welsh-Americans all around the world to come together and celebrate what both countries have achieved.

As one of the millions of Welsh-Americans, I look forward to cheering both countries in the

World Cup—albeit on November 21 I will be supporting the United States.

HONORING ANDONI MOLINA BLANCO AS A DISTINGUISHED LEADER IN CENTRAL FLORIDA FOR PRIDE MONTH

HON. DARREN SOTO

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 28, 2022

Mr. SOTO. Madam Speaker, Andoni Molina Blanco is a pharmacist located in Winter Gar-

den and originally from Spain. After becoming a pharmacist in 1996, he decided to move back to his hometown in northern Spain. In 1997, he met Juan Bengoechea—his companion in life ever since and husband since 2014.

After almost 20 years of working as a pharmacist in Spain, the couple decided to start a new chapter in their lives and moved abroad. In 2015, Andoni started working as a pharmacy intern in Miami, becoming a licensed pharmacist in Florida in 2016. In 2017, they decided to move to Orlando after Andoni accepted a job offer from Walmart Pharmacy. In 2018, he became pharmacy manager at store 4159 in Kissimmee, where he enjoys reaching and engaging with his patients and the Hispanic community.

In 2020, Walmart created the Health and Wellness Days of Giving—a program where pharmacy managers can provide funding to a healthcare organization of their choice. This gave Andoni the opportunity to get in contact with the LGBTQ+ organization, The Center Kissimmee, for the first time. That first year, two other pharmacy managers joined him in supporting The Center.

In 2021, Andoni continued his support for The Center and advocated for others to join. This time, a total of five pharmacy managers supported The Center. In December of 2021, he was invited to participate and represent Walmart Pharmacy in the first World AIDS Day fair hosted by The Center and the Florida Department of Health in Osceola County.

This year, he participated in the Minority Health Month fair hosted by the NAACP and the Florida Department of Health. Additionally, all 13 Walmart stores in Andoni's market will support The Center in their efforts of purchasing a new van that will offer mobile HIV testing around Central Florida.

In February of this year, Andoni became a proud U.S. citizen.
